Dear Chairman Pai,

I am writing to you and all the Commissioners to request that the Federal Communications Commission (FCC) support the Comments of the Cable Act Preservation Alliance ("CAPA") and to disapprove of the proposals and tentative conclusions set forth in the FCC's September 25 Further Notice of Proposed Rule Making in Implementation of Section 621(a)(1) of the Cable Communications Policy Act of 1984 as Amended by the Cable Television Consumer Protection and Competition Act of 1992, MB Docket 05-311.

I value the public service and educational information provided by my town's local television broadcast facility, Chelmsford TeleMedia in Chelmsford, MA. Town events such as meetings along with timely topics presented and recorded at our public library are important to me and many other Chelmsford residents.

Regards,
